Mushroompeople

Presents:

Backyard Mushroom Farming

Learn how to grow mushrooms in your own backyard. This mini-course will cover the basics of mushroom production. We will explore what species to grow, current growing methods, myco-remediation, and more.

This Spring the workshop will be held in Huntsville, Alabama, sometime in late February or early March. For details, please call Cliff and Jen Davis, phone 931 231 4099, or email: spiralridgepermaculture@gmail.com
